Drive Safe this Labor Day Weekend

During this heavily traveled Labor Day weekend, California Highway Patrol officers will be out in force, keeping a close eye on the roads, and enforcing the law to keep motorists safe.

The three-day holiday is a Maximum Enforcement Period for the CHP, beginning at 6 p.m. on Friday, Aug. 31, through 11:59 p.m. on Monday, Sept. 3.

During last year's Labor Day weekend, 29 people were killed in traffic collisions across California; a 38 percent increase from the previous year. Motorists choosing not to wear safety equipment contributed to the drastic increase in casualties.

The CHP averages around 1,500 arrests for impaired driving every Labor Day Maximum Enforcement Period. Californians who drink alcohol are highly encouraged to designate a non-drinking driver in advance of the weekend and we remind motorists to call 9-1-1 to report suspected drunk drivers.

The CHP offers the following safety tips to help keep drivers and motorcycle riders safe during this holiday weekend:

- Designate a non-drinking driver in advance or plan for alternative transportation if you will be consuming alcohol. If hosting a party, provide non-alcoholic drinks for the designated driver.
- Buckle up or wear proper safety equipment, depending on your mode of travel.
- Establish and enforce a distraction-free zone behind the wheel.
- Leave plenty of time to get to your destination, so you are not speeding to get somewhere.
- Get plenty of rest and, if possible, coordinate with your passengers so that no one is driving while fatigued.

MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and community.
