IN CASE OF AN EMERGENCY

DIAL 911

Stay Safe This 4th of July

Possession of any type of fireworks, including "safe and sane" fireworks, is against the law in any unincorporated area of San Bernardino County. In the event a fire occurs due to the unsafe use of fireworks, the responsible persons are likely to face criminal charges and be held liable for damages.

"Safe and Sane" fireworks are only allowed in the following cities: Adelanto, Chino, Colton, and Rialto, as well as specific locations in Fontana, Grand Terrace, and San Bernardino. Please call the fire department in these cities for more information. All fireworks are illegal elsewhere in the county. All fireworks that explode, shoot into the air or move along the ground are termed dangerous and are illegal anywhere in California.

With San Bernardino County facing a dangerous wildland fire season, the County Fire Department has increased its vigilance in enforcing state and county firework laws to protect public health and safety. Fire officials will be issuing citations for the illegal use of fireworks, with fines up to \$1,250 for the first offense. Property owners may be cited if they allow fireworks to be possessed, stored or used on their property.

According to the National Fire Protection Association, on a typical 4th of July, fireworks cause more fires in the U.S. than all other causes combined. While "Safe and Sane" fireworks are allowed in some San Bernardino County communities, the County Board of Supervisors and County Fire encourage residents to watch fireworks at community celebrations rather than use their own.

When using fireworks where allowed, County Fire offers some safety tips:

- Always use fireworks ("Safe and Sane" only) with an adult present. Even a "Safe and Sane" sparkler burns at a temperature that ignites clothing easily
- Always read and follow label directions
- Always have water (garden hose/bucket) and a fire extinguisher within reach
- Always place fireworks on a firm, non-combustible surface, like a sidewalk or pavement
- Never alter fireworks
- Never re-light "dud" fireworks
- Homemade fireworks are often deadly; leave the making of fireworks to the experts
- Never point, throw or mishandle fireworks

In addition to fires, fireworks cause deaths, blindness, and maiming injuries to children and adults every year. For more information on fireworks safety, contact your local fire station.

HAVE A SAFE CELEBRATION!

Emergency Preparedness

This week: THE 12 WEEK PLAN: WEEK 10: Last week you should have gathered utensils and personal care items. This week is about clothing and comfort. You need to pack extra clothing and sturdy shoes for each family member in the event you have to evacuate. A suggestion is to have a suitcase packed with at least one change of clothes that you can "grab and go" during a disaster. In addition to clothing, you may need some warm blankets, pillows, sleeping bags, and tent in the event you need to sleep outside. For more info: <http://www.ready.gov/basic-disaster-supplies-kit>.

MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and community.

For daily incidents reports and other crime information go the Police Web site: <http://sbccd.org/police>
