IN CASE OF AN EMERGENCY

DIAL 911

Suspected Burglar Spotted and Nabbed at Valley College!

San Bernardino Community College District Police arrested a man last night in connection to the KVCR Burglary that occurred on Sunday, July 6th at approximately 3:46am. The aforementioned burglary was captured on surveillance.

After reviewing the surveillance footage, SBCCD PD Officers acted quickly by distributing photos of the suspect to police personnel as well as to local law enforcement agencies in an attempt to locate or identify said suspect.

Yesterday, at approximately 9:05pm, a College Security Officer was conducting a routine patrol check of the Snyder Gym when he observed a subject matching the description of the suspect attempting to break into a vending machine. The Security Officer notified District Police, who responded and took the suspect into custody. Officers confirmed the suspect was the male adult depicted in the surveillance footage from Sunday morning. The Arrestee is a San Bernardino resident, who is not a student at Valley College, who has multiple past arrests for theft and burglary. Arrestee is also on active Felony Probation for Possession of Stolen Property. Arrestee was booked into the Central Detention Center on multiple charges.

Emergency Preparedness

This week: THE 12 WEEK PLAN: WEEK 11: Last week you should have gathered clothing and blankets. This week the focus is on important paperwork and money. In the event of damage to your home, you want to have copies of your important papers, such as insurance policies, in a waterproof container in your disaster kit. In addition, have cash on hand in small bills. If the electricity is out for an extended period of time, ATM's will not be working and you may need to use cash to buy supplies. An extra set of car and house keys should also be in your kit in case you have to leave the house in a hurry and you don't have time to look for your keys. For more info: <http://www.ready.gov/basic-disaster-supplies-kit>.

MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and community.
