END USER LICENSE AGREEMENT

Font Software

This Font Software End User License Agreement (“Agreement”) is a binding contract between you (“Licensee”) and Paratype, Inc. (“Paratype”). This Agreement becomes effective when you are given access to the Font Software licensed by you. All rights not expressly granted in this Agreement are reserved by Paratype.

For the purposes of this Agreement, the following definitions apply:

- * “Font Software” means font design and software that contains data and instructions that can be used to visualize the font design.
- * “Foundry” means the foundry listed by the Font Software item(s) licensed by you.
- * “Digital Content” means digital documents that contain representations of the font glyphs created with the licensed Font Software. Examples of Digital Content include, without limitation, images and video with static text overlays, as well as rich text, PDF, EPUB, Microsoft Office, and HTML documents.
- * “Web Text” means text in HTML documents, such as webpages and HTML emails, rendered with the licensed Font Software dynamically embedded (downloaded as a resource) into the HTML documents via the @font-face CSS rule.
- * “Commercial Content” means Digital Content that has the licensed Font Software embedded into it and is offered to the general public for a fee.

License Grant. You are hereby granted a non-exclusive, non-assignable, non-transferable license to use the Font Software in accordance with the terms and conditions of this Agreement. The following section provides more detail on the rights and limitations associated with the particular license(s) you purchased:

1. Applicable License Type(s):

1.1. Desktop License:

1.1.1. The Font Software licensed under the Desktop License (“Desktop Font Software”) may be used to create and edit Digital Content only by you or on your behalf and only by individuals in your organization or your authorized agents. The Desktop Font Software may not be used to render Web Text.

1.1.2. The total number of computers that can be used to create and edit Digital Content (“Licensed Computers”) may not exceed the number specified in the applicable license purchase documents. The Desktop Font Software may not be installed or stored on any devices other than the Licensed Computers.

1.1.3. To enable viewing and printing of Digital Content on devices other than the Licensed Computers, the Desktop Font Software may be statically embedded (saved) into Digital Content, provided that the Digital Content cannot be edited using the embedded Desktop Font Software.

1.1.4. The Desktop Font Software must be embedded in a secure, standard format, such as PDF, EPUB, and Microsoft Office, that protects its embedded font data from deliberate or inadvertent discovery or misuse. The Desktop Font Software must be subset to include only the characters used in the Digital Content.

1.1.5. Digital Content that uses the Desktop Font Software, excluding Digital Content with Web Text and Commercial Content, may be printed, published, and distributed.

1.2. Web License:

1.2.1. The Font Software licensed under the Web License ("Web Font Software") may be used only to render Web Text. HTML documents that use the Web Font Software ("Web Content") may be published only in websites owned and controlled by you or sent only from your email addresses.

1.2.2. The total number of pageviews (one HTML email sent shall be counted as one pageview) per month across all your Web Content may not exceed the number specified in the applicable license purchase documents.

1.3. App License:

1.3.1. The Font Software licensed under the App License ("App Font Software") may be packaged with your software applications that are installed and executed locally on computers.

1.3.2. The App Font Software may be used only for the purpose of rendering user interface text of your applications. The App Font Software may not be used to create or edit Digital Content by users of your applications.

1.3.3. The App Font Software may be used only by your applications and may not be discovered, enumerated, and used by other applications or system components.

1.3.4. The total number of application titles that use the App Font Software may not exceed the number specified in the applicable license purchase documents.

1.4. ePub (also "Electronic Publication") License:

1.4.1. The Font Software licensed under the ePub License ("ePub Font Software") may be used to publish your Commercial Content.

1.4.2. The total number of publication titles that use the ePub Font Software may not exceed the number specified in the applicable license purchase documents.

2. Custom licenses may be negotiated directly with Paratype to use fonts in software apps or services for the purpose of creating content by end users, in system software of electronic devices, and in other cases not covered in this Agreement.

3. Restrictions and constraints. You may not:

3.1. Rent, lease, sublicense, give, lend, share, or further distribute any portion of the Font Software except as expressly provided in this Agreement.

3.2. Copy, change, adapt, translate, convert, or modify any portion of the Font Software, or create derivative works based upon the Font Software.

4. Intellectual and industrial property rights:

4.1. You agree that the Font Software is protected by the copyright law and other intellectual and industrial property rights of the United States and its various States, by the copyright laws, design laws, and other intellectual and industrial property rights of other nations, and by international treaties.

4.2. Foundry and its successors, licensors and assigns, expressly retain all right, title and interest in and to the Font Software, its structure, organization, code, related files, and the design of the font therein, including all intellectual and industrial property rights therein such as copyright, design and trademarks rights.

4.3. You agree that the Font Software is the exclusive and valuable property of Foundry and/or its licensors and that any intentional, negligent, or otherwise unauthorized use of the Font Software not expressly

permitted by the Agreement constitutes an infringement of intellectual and industrial property rights, and is likely to cause significant monetary harm.

4.4. You agree to preserve and not to remove or alter all patent, copyright, and trademark notices contained in the Licensed Software. Trademarks may be used only to identify output produced by the Font Software.

4.5. All rights in and to the Font Software, including unpublished rights, are reserved under the copyright laws of the United States and other jurisdictions.

5. Warranty and support:

5.1. Paratype warrants to you that the Font Software will perform substantially in accordance with the intended uses licensed under this Agreement for thirty (30) days following the delivery of the Font Software ("Warranty Period"). This limited warranty is void if the performance issue resulted from accident, abuse, negligence, or misapplication. If the Font Software does not perform substantially in accordance with the intended uses licensed under this Agreement, you must notify Paratype of your warranty claim in writing within the Warranty Period. Your entire, exclusive, and cumulative liability and remedy shall be limited to either the refund of the license fee you paid for the Font Software or the replacement of the Font Software, at Paratype's discretion.

5.2. PARATYPE DOES NOT WARRANT THE PERFORMANCE OR RESULTS YOU MAY OBTAIN BY USING THE FONT SOFTWARE. THE FOREGOING STATES THE SOLE AND EXCLUSIVE REMEDIES FOR PARATYPE'S BREACH OF WARRANTY. EXCEPT FOR THE FOREGOING LIMITED WARRANTY, PARATYPE MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO NON-INFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE.

5.3. IN NO EVENT WILL PARATYPE BE LIABLE TO YOU OR ANYONE ELSE FOR ANY CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGES, EVEN IF PARATYPE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM AGAINST YOU BY ANY THIRD-PARTY SEEKING SUCH DAMAGES EVEN IF PARATYPE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

5.4. Because some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you. ANY IMPLIED WARRANTY OR OTHER RIGHT CREATED BY LAW IS ONLY EFFECTIVE FOR THE THIRTY (30) DAY WARRANTY PERIOD. THERE ARE NO WARRANTIES OR CONDITIONS OF ANY KIND AFTER THE THIRTY (30) DAY WARRANTY PERIOD.

5.5. The Font Software is nonreturnable and nonrefundable. Except for the foregoing limited warranty obligations, Paratype does not have an obligation to provide any maintenance or support services with respect to the Font Software.

6. Governing law. This Agreement will be governed by and construed in accordance with the laws of the United States of America and the State of California, without giving effect to its conflicts or choice of law provisions. Both you and Paratype agree that the United Nations Convention on Contracts for the International Sale of Goods is specifically excluded from application to this Agreement. Both you and Paratype hereby irrevocably consent to the exclusive jurisdiction and venue of the state and federal courts located in Santa Clara County, California for the purpose of any legal action, suit or proceeding brought by either party in connection with this Agreement.

7. Limited distribution. You agree to be responsible for compliance with all laws, foreign and domestic relating to the control of exports or the transfer of technology. You represent and warrant that you are not located in a country that is subject to U.S. government embargo or other economic sanctions ("Restricted Countries"), and that you are not listed on the U.S. Treasury Department's list of Specially Designated Nationals, the U.S. Commerce Department's Table of Denial Orders or any other denied parties, as such lists may be updated from time to time ("Denied Parties"). You further represent and warrant that you will not export or re-export, sell, re-sell, license, distribute, make available, transfer or cause or facilitate the transfer of any of the Font Software, including any component or part directly or indirectly, to Restricted Countries or Denied Parties.

8. Termination. Upon failure by you (or any authorized user) to comply with the terms of this Agreement, Paratype shall be entitled to terminate this Agreement. Notwithstanding any termination of this Agreement, Paratype expressly reserves any and all other rights and remedies under equity or law.

9. The Font Software is commercial computer software. If you are an agency, department, or other entity of the United States Government, the use, duplication, reproduction, release, modification, disclosure, or transfer of the Font Software, or any related documentation of any kind, including technical data and manuals, is restricted by a license agreement or by the terms of this Agreement in accordance with Federal Acquisition Regulation 12.212 for civilian purposes and Defense Federal Acquisition Regulation Supplement 227.7202 for military purposes. The Font Software was developed fully at private expense. All other use is prohibited.

If you are using this product for your work, this agreement applies to your employer.

You may also "embed" PC TrueType format fonts within your documents for the viewing and printing of those documents.

Portable Documents: You may send along with your documents a Portable Font Resource ("PFR") created by Bitstream's TrueDoc®, for the purpose of allowing any third party to view or print the document remotely but with the express understanding that such party may not use such PFR to print any other document unless independently licensed to do so. No Modifications: You may not modify, adapt, translate, reverse engineer, decompile, disassemble, or create derivative works based on the Bitstream Product without Bitstream's prior written consent.

Rights Reservation: Bitstream reserves all rights not specifically granted to Licensee.

2. Copyright

The Bitstream Product and the accompanying materials are copyrighted and contain proprietary information and trade secrets of Bitstream. Unauthorized copying of the Bitstream product even if modified, merged, or included with other software, or of the written materials, is expressly forbidden. You may be held legally responsible for any infringement of Bitstream's intellectual property rights that is caused or encouraged by your failure to abide by the terms of this Agreement, unless you have a Multi-Workstation License Agreement. You may make one (1) copy of the Bitstream Product solely for backup purposes provided the copyright and trademark notices are reproduced in their entirety on the backup copy.

3. Termination

This Agreement is effective until terminated. This Agreement will terminate automatically without notice from Bitstream if you fail to comply with any provision contained herein. Upon termination, you must destroy the written materials, the Bitstream Product, and all copies of them, in part and in whole, including modified copies, if any.

Bitstream shall have no responsibility to replace the product or refund the purchase price if failure results from accident, abuse or misapplication, or if any product is lost or damaged due to theft, fire, or negligence. Any replacement product will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer. This warranty gives you specific legal rights. You may have other rights, which vary from state to state.
